

Service Teams

To find out more about any of our service teams or to be connected with a ministry leader, simply contact us: info@sovgrace.org.au

Administration Team

We're a growing church with a lot of things to do! So we thank God that in his wisdom he's given the church the Spiritual gift of administration! If this is an area you'd like to serve in we would love to talk to you! Whether you can offer the occasional help for a project or more regular hours we'd love to start a conversation. We need admin help in a range of areas from the events team, to SG Kids, SG Youth, SG Care and our Church Office team.

Biblical Counselling Team

We believe that the Bible contains everything we need to know to please God (2 Tim 3:16) and is a wonderful source of help for those in need. Though the Biblical Counselling Team are not trained mental health professionals, they are compassionate Christians with a big heart to listen to, pray for and walk alongside those in need, pointing them to the help available to us in Jesus.

Events Team

We're a church community with a big heart. A big heart to celebrate the love of Jesus, to have fun together as a family and to welcome the lost. Part of the way we seek to do this is through the running of great events. Each year the Events Team helps us to run a range of events varying from Christmas and Easter to our annual church retreat. There are a number of smaller teams you can get involved in within the events team:

Event Design (Stage / Graphics / Promotion)

The Lord calls us to love him with our heart, our mind, our soul and our strength. Part of the way we help to facilitate this is by encouraging creatively minded people to build beautiful sets, decorations and backdrops. If you're a creative person and would love to get involved, we'd love to hear from you!

Event Digital Media (Photography / Videography / Web)

The Event Digital Media Team seeks to ensure that our events are documented and promoted well through quality photography and videography while also overseeing any associated web services.

Event Hospitality

The Event Hospitality Team oversees all things related to catering & welcoming for our events to ensure that people feel loved and welcomed when they join our events.

Event Logistics & Administration

The Event Logistics & Administration Team aim to ensure that everything related to finance and logistics runs smoothly for all our events.

Hospitality Area

The word hospitality in the Bible roughly translates as 'love for the stranger' and at its core is the way we welcome all people as Jesus has welcomed us! At SG Wahroonga we are committed to extending hospitality to all people who join our gatherings, whether they be visitors or members, whether it be a Sunday morning or an evening seminar.

Espresso Bar Team (10am & 5pm)

We're a church that loves Sydney and Sydneysiders love their coffee. Each week we love welcoming people with quality coffee from our espresso bar.

Morning Tea Team (10am) & Supper Team (5pm)

There's something about food that binds us together and so even small gestures like morning tea can go a long way to making guests feel like valued members of the family. This is a truth Jesus saw when he gave his disciples the gift of the Lord's Supper, a wonderful source of spiritual nourishment and reminder that Christ binds us together.

Men's Ministry

We live in an age where manhood is in crisis. Men are falling behind in literacy, entering university, overrepresented in our prisons (92% in Australia 2021) and increasingly told that masculinity is toxic. Our men's ministry exists to encourage, teach and train men to embrace their calling as men following Jesus.

Bible Study Leading

We believe that best resource book for men to know how to be the godly men God is calling them to be is the Bible. We want to see our men increasingly equipped to read and understand the Bible and to be transformed by it. If you're interested in leading a Men's Bible Study get in touch!

Event Coordination

Just as iron sharpens iron, we believe that men are better together. We've got a big heart to see men having fun together and encouraging one another to follow Jesus. If you're interested in organising social activities or helping to run any of our men's events please get in touch.

Mission

Before Jesus ascended to heaven, he left his followers and the church with a clear mission: to make disciples! An important aspect of this mission is sharing the good news about Jesus and praying that God would open blind eyes to trust and obey him. In addition to the regular rhythms of sharing the Gospel that happen in the life of our community, you can join either of the following teams.

Course Team (Alpha, Christianity Explored etc.)

Courses are a great way for people who are spiritually seeking to have an extended opportunity to engage with the gospel. If you're interested in helping us run one of our evangelistic courses, please get in touch!

Walk-Up Evangelism Team

One of the greatest ways to grow in your faith and heart for the lost is to get involved with walk-up evangelism (cf. Philemon 6). The team meets regularly for breakfast before stepping out in faith to look for opportunities to talk to people on the street about Jesus.

Music & Production Area

At Sovereign Grace we believe that Sundays are simply the best day of the week. Every week the precious bride of Christ, God's family comes together to worship and grow in their knowledge of and love for him. Therefore, as a church we want to conduct our services in a way that magnifies the Lord Jesus to the best of our ability! The music and production team consists of several smaller service teams.

Digital Media (Video / Photography / Web Design / Graphic Design)

We live in an age where billboards and bulletins are relics of the past. Now the primary window outsiders have into our community is our digital presence. We want to make this presence as appealing as possible to those interested in joining us.

Music Team (10am & 5pm)

At SG Wahroonga we're passionate about worshipping the Lord with everything we've got! So when it comes to our Sunday singing or youth and kids gatherings we're always looking for musicians and singers who are interested in being a part!

PA Team (10am & 5pm)

If you love good music this is the ministry for you! Each week our sound team works to set-up and fine-tune our PA to make the band sound their best! You don't need any experience to join this team because we'd love to train you!

Projector & Livestream (10am & 5pm)

If you've ever found yourself mumbling the words to a Christian song because you're not quite sure of the lyrics than you'll understand how important this ministry is! This team oversees all our visual media on a Sunday morning including our YouTube livestream.

Service Coordination Area

The service coordination team oversees the smooth running of all the logistics required to make a Sunday service happen. This ranges from putting out the chairs, mobilising volunteers and general problem solving.

Chief Steward Team (10am & 5pm)

The chief steward is responsible for the smooth running of all the logistics around a Sunday service. They oversee all of our Sunday morning volunteers, and they are the main contact to problem solve any challenges that may occur.

Set-up & Support Team (10am & 5pm)

As we are meeting in a rented facility, we set up each week before church. This involves setting up the chairs and banners, and, assisting any of the other teams that might need some extra help. Coming before the service to set-up is actually a great time to enjoy our community before church and meet new people. We're always looking for volunteers so please let us know if you can help!

SG Kids Area

We believe that learning about God should be an engaging and fun experience. God is not boring and we don't want our kids to think that He is! SG Kids runs a program for all ages, that includes all the things that kids love - games, crafts, teaching, and music, all housed in a fun, informal environment. We have a thriving kids ministry that includes several teams: Babies Team (6-18 m.o), Toddlers Team (18m.o-3yrs), Adventurers Team (3yrs-Kindy), Builders Team (Kindy-Year 2) and Conquerors Team (Year 3-6).

Due to the size of our kids work we encourage parents who are utilizing the ministry to serve on the roster. There are two roles that exist within SG Kids:

Teacher (10am & 5pm)

A teacher is someone responsible for a given classroom on a Sunday morning. They are someone of proven character, who loves teaching kids about Jesus.

Assistant (10am & 5pm)

An assistant is someone who assists with the running of a classroom on a Sunday morning. They aid the teacher in implementing the curriculum and are an extra set of hands to help the morning run smoothly (e.g. preparing the craft activity, liaising with parents where necessary etc.).

SG Youth

SG exists to help youth know Jesus, have a lasting relationship with Jesus and to help parents encourage youth to be mature followers of Jesus. Meeting at the SG Offices, SG Youth is the place to be on a Friday night for everyone in years 7-12. Running every week during term time, SG Youth combines solid teaching with passionate worship, games and the opportunity to just hang out.

Youth Leader

For many of us, our youth leaders were some of the people who had the biggest impact on our walk with the Lord. If you've got a heart to invest in the next generation, we'd love to chat to you more about serving in youth!

Youth Mentor

We run a youth mentoring program for interested youth in years 9–12. The aim is for youth to grow in the depth of their relationships within the church and in any specific area of their choosing. The mentoring program is usually limited to one term at a time only.

Welcome Area

At SG Wahroonga welcoming is not just something for the professionals but a task that we share amongst all of our Gospel communities... we want to be a welcoming community!

Welcome Team (10am & 5pm)

We have a small welcoming team that oversee all things welcoming during our Sunday services. They're involved in thinking creatively about creating a welcoming environment, training GC members and running our welcome centre.

Kids Welcome Team (10am & 5pm)

When new families join us on a Sunday morning often their first interaction is with those serving at the kids welcome desk. This is a space for those passionate about helping kids and parents feel welcomed to our services and to get connected with our kids ministry!

Women's Ministry

We've never been more confused about what it means to be a woman. With so many competing voices pulling us in so many different directions where can we find clarity? Our women's ministry exists to encourage, teach and train women to embrace their calling as women following Jesus.

Bible Study Leading

In Paul's letter to Titus, he encourages older women to train younger women so that God's word might not be reviled (Titus 2:3–5). We have a heart to see our women increasingly equipped to read, understand and treasure the Bible! If you're interested in leading a women's Bible study, please get in touch.

Event Coordination

Across the various seasons of life it's easy to feel lonely and isolated. At SG Wahroonga we love getting together as women to have fun and encourage one another to follow Jesus. If you're interested in organising social activities, or helping to run any of our women's events please get in touch.
